Brief description

Focus on the world of wire: the trade magazine DRAHT and the independent English-language WIRE cover the complete process chain of the wire industry. That is why decision-makers and experts from wire production and processing, spring manufacturing and cable production read both industry magazines.

With the printed editions and the and the various digital media channels, DRAHT and WIRE are the right communication environment for you and help you to place your message. This makes DRAHT and WIRE the ideal access to your target group.

DRAHT and WIRE provide managers in the wire processing industry with essential information and decision-making aids for business and operational practice. Interviews and reports on successful solutions in planning, production, and quality assurance, complemented by relevant results from research and development, as well as product presentations form the basis.

For more than 75 years, DRAHT and WIRE have gone with the spring, wire and cable industry and have been leaders in this sector. The close contact to the industry is also reflected in the active participation in national and international associations, societies, and research associations.

DRAHT and WIRE are just as worth reading for the businessman as for the technician. As the mouthpiece of the industry, we provide specialist information for all market participants. Analyses, research, economic, market and trade fair reports directly affecting the industry are also included. Further research contributions are published as white papers.

Thanks to the joint strategic orientation of DRAHT and WIRE, you can reach your international markets with the english WIRE and the german speaking markets with DRAHT. Both trade magazines effectively bring your message to potential buyers of your products and services.

Advertorial Print

As an increasingly popular advertising medium, the Advertorial offers you plenty of scope to communicate content. The reading flow is not interrupted, on the contrary – text and images are embedded in the editorial section both in terms of look and feel.

Added value from advertising with Advertorials

Your advertising message will benefit from intensive exposure with an enduring impact – creating reader value that lasts! Don't just give your B2B target group advertising input but use storytelling to build long-term trust in your company. By including your logo, you will enhance the profile of your brand. In addition, the strong and trusting relationship we have with our readers will automatically transfer to your advertorial!

1 page Advertorial: 3,675.– €

You send us your text and images and we take care of the layout, embedding your text in an editorial setting, both in terms of look and feel.

We need: 2 images | company logo |
Main text minimum: 1,600 characters |
Maximum: 3,000 characters (incl. spaces, headings and captions).

Texts researched and produced on behalf of the editorial staff (price on request): the text is written by our editors in consultation with you and then adapted to the DRAHT/WIRE layout.*

*Travel expenses will be charged to the customer without surcharge.
Our correction and release details can be found on page 11.

1/2 page Advertorial: 2,100.– €

You send us your text and images and we take care of the layout, embedding your text in an editorial setting, both in terms of look and feel.

We need: 1-2 image | company logo |
Main text minimum: 600 characters |
Maximum: 1,500 characters (incl. spaces, headings and captions).

Texts researched and produced on behalf of the editorial staff (price on request): the text is written by our editors in consultation with you and then adapted to the DRAHT/WIRE layout.*

**We will also be glad to publish your advertorial online as an option.
You will find the prices for this on page 20.**

Eye-catcher

The “Eye-catcher” is a creative double-sided format 2/1. If you have a beautiful picture of one of your machines, products, or of your company, it gets a very special appearance with our “Eye-catcher”.

Double-sided eye-catcher: 4,050.– €

We need the following data from you:

- a meaningful picture in landscape format and in printable quality (*.jpg, 300 dpi or 4,961 x 3,508 pixels)
- a short descriptive text (*.txt, *.docx) with max. 800 characters (including spaces)
- your desired web address (URL)
- QR code

Images and text are embedded in the look+feel of the editorial environment. The price includes an approval cycle. You will receive the final version for approval before going to press. Delivery of the data by the respective editorial deadline of the booked issue. The page is marked as an “Advertisement”.

Our correction and release details can be found on page 11.

Lead page

With our “Lead page”, you can skilfully showcase your image as an “Eye-catcher” on an entire print page. The lead page opens up a new subject area or a specific focus topic in the magazine.

One-sided lead page: 2,500.– €

We need the following data from you:

- a picture, ideally based on the focus topic, in portrait format and in printable quality (*.jpg, 300 dpi or 1,748 x 2,480 pixels)
- a short descriptive text (*.txt, *.docx) with ca. 300 characters (excluding spaces)
- your desired web address (URL)
- QR code to video or machine description

Images and text are embedded in the look+feel of the editorial environment.

The price includes an approval cycle. You will receive the final version for approval before going to press. Delivery of the data by the respective editorial deadline of the booked issue.

The page is marked as an “Advertisement”.

Our correction and release details can be found on page 11.

Specifications

Magazine format:

210 mm wide x 297 mm high

Print space:

184 mm wide x 260 mm high

Printing and binding methods:

4c offset printing (80 lpc-screen, PSOcoated_v3.icc) on double-sided multi-coated paper. Wire stitching or adhesive binding. For colour ads genuine proofs are necessary.

Data creation and delivery:

Please send us your ads ready for publishing in one of the programs and formats mentioned above, if possible as PDF/X-4 data (Output Intent: PSOcoated_v3.icc) with 3 mm bleed. We are happy to provide you with InDesign PDF job options and color profiles for PDF creation. Binding proofs are desirable for colour advertisements. Should it be necessary to edit other files or adapt the layout, we will have to charge you 115.– €/hour.

Your data can be processed by us with the following programs:

- Adobe Acrobat Pro DC
- Adobe InDesign (Version CC)
- Adobe Illustrator (Version CC)
- Adobe Photoshop (Version CC)

Image data in original sizes requires a resolution of 300 dpi (min. 600 dpi for line drawings). Indexed, LAB and RGB image data are converted by an in-house generated separation curve into the CMYK mode (the colour space is modified). This can lead to colour deviations, for which we cannot assume any liability.

Colours: Bio-Printing inks (CMYK), special colours available on request.

Proof: When making the proof please consider that our printer works with standard PSO-ISO 12647-2 values both in the preparatory and in the printing stages. If you are unable to provide us with a binding colour proof or can only supply a digital colour printout, please note that your file will be printed in compliance with the PSOcoated_v3.icc. If you are interested, please contact Anna Ugrica who will also tell you the costs.

Data storage: Data will be archived. Unchanged rerun is generally possible. A data guarantee is, however, not assumed.

Guarantee: By sending incomplete or differing data (texts, colours or images) we do not assume any liabilities for the correct print. Faulty exposure caused by incomplete or flawed files, incorrect settings or incomplete information will be invoiced to the customer. This also applies to additional composition and reproduction work as well as the creation of flawed proofs.

Advertorial Online

Our readers should definitely know about your product innovations, your company news or your trade fair participation?

Then place your message in our editorial environment by booking an advertorial. We will place your information as an article on our website and integrate it into the most fitting category.

Advertorial guidelines:

- Headline: max. 35 characters, teaser text: max. 350 characters, Main text: max. 2,000 characters
- 1-2 images, minimum width: 1,000 pixels (16:10), 72 dpi

All advertorials will be published in the DRAHT Newsletter or in the WIRE newsletter and prominently displayed as slider on our website www.umformtechnik.net as well as on one of the object websites (DRAHT or WIRE)!

Price: 950.– €

Bookable in combination with print adverts – we will be happy to make you an individual offer.

Optional: book our social media package!

Take advantage of our reach on the social networks.

 If requested, we will publish the advertorial on LinkedIn.

Surcharge: 225.– €

In the slider on our home page, your advertorial is always visible for 10 seconds.

**Click here or take a picture

Ad Opportunities Newsletter

Banner

General information: The DRAHT- and the WIRE-Newsletter inform on all important news of the metal working industry. They are sent in HTML-format.

Data formats: JPG, 700 x 120 pixels, max. size 100K

Data delivery: Advertising banners should be delivered ready for publication at least 6 working days before the publication date. Delivery by email, quoting the customer's name, to Anna Ugrica (anna.ugrica@meisenbach.de).

Rates per Ad (Banner):

690.- € (DRAHT)

690.- € (WIRE)

Special Newsletter

Our special newsletter is an exclusive newsletter. You as a customer can deliver up to two advertorials and a banner, which will be integrated into the special newsletter. We will publish the advertorials on our website and link to them from the newsletter.

For data protection reasons, we cannot send out a layout that you have designed to our newsletter recipients. Instead, your content will be presented in the look & feel of an editorial newsletter. Our team adds one or two editorial articles to the newsletter, which also contributes to the authentic appearance of the format.

1-2 Advertorial(s):

- Headline: max. 35 characters, teaser text: max. 350 characters, Main text: max. 2,000 characters
- 1-2 images, minimum width: 1,000 pixels (16:10), 72 dpi

Banner: 700 x 120 pixels, max. 100K

Price: 2,225.- € (DRAHT)

Price: 2,225.- € (WIRE)

Our correction and release details can be found on page 11.

LinkedIn-Package

Via LinkedIn we have built up an extensive company network from which you can also benefit: Use our **LinkedIn package** to present your products and innovations or to publish an image campaign.

Package prices:

5 posts (per calendar year):

980.– €

10 posts (per calendar year):

1,815.– €

Larger quantity on request

- We need one photo per post, preferably in square format
 - Minimum dimensions: 1,200 x 1,200 pixels
 - Text up to approx. 3,000 characters
 - Reach more people with the right hashtags!
- Since hashtags significantly influence the reach on LinkedIn you can integrate up to 18 hashtags in addition to your text.
